

FBC Sunday School Party for the whole church! Today, October 11, 5:30-7:30, at Jammerz Skate Land. Questions? See Ronelle Vandgrift, Sunday School Director.

Children 3rd-6th grade will be staying in the Morning Worship service. However, materials suitable for this age will be available at the Welcome Center.

We would like to thank the entire First Baptist Church family for all of their support over the last few weeks. The outpouring of love, prayers, kind thought and generosity has helped to sustain us in so many ways. Jill is healing wonderfully and getting stronger day by day. Thank you so much from the bottom of our hearts.

Love, Gabriel and Jillian Fritz

The family of Carl Huckelberry would like to thank everyone for their prayers, cards, thoughts and concerns in the passing of my father. Donna Neal

Dear Friends,

At this time of the year, some of us have already turned our thoughts and attention to the too quickly approaching holiday season. At the same time our missionaries in Haiti are focused on tending to the needs of those who do not have clean water, enough to eat, or proper medical care. They barely survive from day to day, sleeping on dirt floors, and bathing in the same rivers as their animals. Do you ever think about these things when you turn on the tap to get a drink? The Missions Committee would like to invite you to take a journey with the Nzunga family from their birthplace in the Congo to Haiti to learn more about their work there. We have set a goal of \$1500.00 for our World Missions offering this year. We will be focusing on this dynamic family and their work for Jesus Christ. You may use the envelopes in the pews, or purchase a foot for \$10.00. We ask that you keep this couple and their ministry in your prayers. Be surprised! Take a walk in someone else's shoes!

Yours in Christ,
The Missions Committee
